WOLF ENDEAVOR™

STYLE AND FUNCTION AT JUST THE RIGHT PRICE

The heart of the home — the kitchen. No matter the size, it's where family gathers, memories are made and with Wolf Endeavor, a space that is made for everyday life. Wolf Endeavor cabinets feature our SmartShield™ Technology that give you an ultra-durable finish that stands up to whatever life throws its way. Available in a modern, shaker-style door in an attractive, neutral palette, Wolf Endeavor brings together all the right things — style, function and beauty – all at the right price.

SMARTSHIELD™ TECHNOLOGY

When life gets messy, SmartShield Technology has you covered. Tougher than other common finishes, SmartShield resists typical kitchen stains, endures household wear and tear and stands up to both heat and moisture. Plus, the continuous wrap around every door delivers 360 degrees of crisp, clean, consistent beauty.

STYLE

High fashion look with smooth, even color consistency and a quality finish that has a warm, sleek feel when compared to other similar products.

CONSISTENCY

No wood grain issues or finish variations, you get a smooth, consistent finish every time.

DURABILITY

Traditional finish quality concerns such as roughness, peeling, cracking and open joints become nonexistent. Plus, effects of light exposure and aging are minimal in comparison to wood finished products.

EASY TO CARE FOR

Resists moisture as well as stains from common household foods and detergents. With its smooth surface and durability, SmartShield is a breeze to clean and makes an excellent choice for homeowners with pets or young children.
